Q14: Why have you considered transferring to another school?

- People
- The favoritism in sports (BAKSETBALL)
- People
- Lack of freedom, uniforms
- Just because
- Sometimes I don't like how small *** is
- Bullying
- Friends
- Sports
- Cause it's always lookin icy here
- I didn't enjoy behavior of other students
- I have been bullied since I arrived here freshman year. I also miss my old friends.
- I didn't like the pressure to be perfect, I made a varsity sport but I felt that it had become my life.
- Rumors
- Sometimes the pressure is too much
- Just didn't really like it
- Old friends were at another school.
- I was not comfortable, didn't have friends freshman year.
- Freshman year, I was not comfortable with the school and the students. That opinion has greatly changed since then, however.
- Friends,sports
- The other school offered skill trade programs that *** doesn't offer.
- Because of people being jerks
- Because it doesn't cost $12,000 to go to that school.
- Felt like I didn't fit in
- The school didn't help me when I was being continuously harassed by the same people.
- The people I called my "friends" during freshman year made it hard to enjoy school
- Too challenging
- Too many surveys
- Economic Reasons
- Hard to connect with classmates coming from all different schools
- My school does not emphasize the catholic faith enough as I would want it to.
- I feel that the teachers/administration are hypocritical and that the overall learning experience is nowhere near worth the money or time when compared to a decent public school.
- I don't have good friends at ***
- Friend relate issues
- I missed my old friends and didn't like many of the people here.
- My friends all went to another school.
- I feel like I don't fit in.
